Sekurit Service Environmental Product Declaration

Here's what the production of a **15 kg** laminated windshield* represents based on **3 main indicators**

... and what that means in **everyday life**

27 kg
CO₂ equivalent

=

124 km
in a thermal car

218 L
fresh water

=

1.5 days
water consumption of 1 European citizen

3.5 kg
secondary raw material (cullet)

=

4.2 kg
virgin raw material saved

*Based on Sekurit Service's EPD "Laminated Windshield 2.1/1.6 mm + 2.1/2.1 mm manufactured in Estonia for the Automotive Aftermarket", published in 2023.
